Memo

The Sanskrit School at Channarayapatna is an aided School started in 1885 at the first instance from subscriptions raised among the inhabitants of the place The persons who took most interest in the starting of the School in question, are evidently Mr Ramasastri the present Adhyaksha and Mr Ramanuja Iyengar the then Amildar of the place and the present retired Assistant Comr The school, —, is at present maintained from the Govt Grant of Rs 25- a month and some income from ~~the Endowment~~ the funds formed out of the subscriptions collected as above mentioned Thus fund is in the management of Mr Rama Sastri the Adykshe

Matters seem to have gone on smoothly till the year 1897 when some

one of the inhabitants, either
at being satisfied with
the management of the
fund by Mr Rama Sastri
or believing that he was
misappropriating the income
for himself, petitioned to × Nos (1)(5)(6) in the file
the I Gl of Edn praying
~~that~~ that he might be
pleased either to appoint a
committee or take up the
whole management him-
self. Thus ~~in~~ their prayer,
was repeated in the several
petitions addressed to
~~the~~ the I Gl of Edn and
is also repeated in the
petitions addressed to × Nos (3)(4)(10)(11)(12)
this office

The I Gl of Edn caused Please vide I Gl of Edn's note on the petn dt Nos (1)(3)d
an investigation to be
made into matter by the
Dy Inspector of Kadur &
Hassan who reported × Nos 7 in the file
favourably to the Adhya-
Kha ~~and~~ stating that
the allegations of the
petitioners

~~petitioners~~ petitioners were false and baseless

Subsequently the petitioners were informed by the I Gl of Edn in his No. 553 11-2/380 dt 17 12 9 that there appeared to be no truth in their ~~compl~~ complaints that the management of the Inst by Mr Ramasastri was quite satisfactory & that if they should persist in their complaints they would render themselves liable to prosecution On the same date the Dy Inspector of Schools Kadur & Hassan was asked to suggest to Mr Ramasastri to have a small committee selected by himself (Mr Ramasastri) This does not however appear to have been attended to by Mr Ramasastri

Vide I Gl's Endorsement on No 7 on the file

After this, the inhabitants began to address

untiring in their efforts to maintain the Schools in all efficient states.

The Inspector General finally suggests the formation of a Committee of five members including the Amildar the Dy Inspr of Schools, the Adhyapakha Ex Officio and Srv Ramanuja Iyengar which he thinks would put an end to such complaints.

SIR,

With reference to your memo No 12999/Ed 280 dated 15th May 99 I have the honour to forward herewith Report No 475/H 351 dated 8th Octr 1897 from the Deputy Inspector of Hassan and Kadur bearing this office Reg no 6654/409 of 15th December 1897 together with all its enclosures From this report Government will be able to see that there is no truth in the petitions so persistently sent by some evil minded persons in Channarayapatna against Ramasastri the Adhyaksha of the Sanskrit Pathasala at Channarayapatna I am satisfied that the complaints of the petitioners are false and malicious Rama Sastri and Mr Ramanuja Iyengar Pensioned Assistant Commissioner were the founders of the school They have been untiring in their disinterested efforts to collect funds for the school and maintain it on all efficient state

Mr Ramanujachyar audits the accounts from time to time and signs them I have no doubt that the charges of dishonesty and misappropriation made by the complainants against Ramasastri are false and malicious At my recent inspection of the school I found it in a satisfactory state A copy of my inspection notes is enclosed herewith

2 During my stay at Tshamarajanagara I was informed that the Taluk Shirastadar once asked the Adhyaksha to give him a loan from the School funds which he declined to give, and since then he has been putting up some idle and worthless men to write petitions against the Adhyaksha to the Deputy Commissioner, to me, and to Government I cannot say what amount of truth there is in the report I heard But as malicious petitions of this kind are becoming too common and waste the time of Heads of Departments and of Government, I would submit that the Adhyaksha and Mr Ramanujachyar may be advised to prosecute some of the petitioners methinks the Kasba Shanbhogue for libel and get them punished in a criminal court

3 The petition sent with the memo under reply is herewith returned

Fund under their control is not at all desirable

Mr. Ramamy ayyangar pensioned Assistant Commissioner to whose Kind patronage the institution owes its existence has invariably checked the account from the commencement twice a year and has recorded his remarks in the books, which go to shew that the transactions are satisfactorily managed and that the Funds are gradually improving. This fact is sufficient to testify to the trustworthiness of the manager & his accounts I have however herein enclosed a statement of the receipts and expenditure from the beginning to the end of September 97 and I trust that a perusal of the same will convince you of the accuracy of my statement

The account-abstract here was started in 1885 In the course of about 7 years, a sum of Rs 885 was collected by way of subscriptions. Re interest on this amt from 1886 to end of September 1897 amounts to Rs 295-15-9 Govt Grant from 1889 to end of September 97 amounted to Rs 1280 Miscellaneous income amounted to Rs 430/ Thus the total income from 1885 to end of September 97 amounted to Rs 5555-12-2 The expenditure under all heads amounted to Rs 3298-10- from the beginning to end of September 97 thus leaving a net balance of Rs 2252 2-2 on hand as shewn in detail in the accompanying statement. A more satisfactory management of the transactions cannot be expected

I am given to understand that it is the earnest desire of Mr Ramasastri and Mr. Rama my ayyangar the Patron to raise the amt to about Rs 5000/ in the course a few years and then to place the same at the disposal of the Govt with a request that the interest thereon may be

altered

utilized for the upkeep of the institution for which Mr Ramasastri has laboured so hard

It must however be mentioned here that the present state of the Patasala is not as satisfactory as it could be expected. The reason for this seems to be that some of the pupils have been purposely withdrawn from the school by some of the petitioners with the object of upsetting the school There are now about 20 pupils attending the school About the early part of the current year, the Adhyaksha secured the services of Mr Subba Sastri, who passed the Pundits Test from the Maharajahs' Sanscrit College Mysore having promised him a pay of Rs 12/ a month But after a stay of about three months he left the station probably being instigated by the discontented party Mr Ramanujayyangar has kindly promised to send an able and experienced Sastri soon. When this is done the Patasala is expected to regain its efficiency

If the Inspector General thinks that any scrutiny is desirable over the transactions of Mr Ramasastri I think the Amildar who is on the station, may be asked to check the accounts once a month and to record his opinion in the Account-books Mr Ramasastri may be ordered to have his accounts checked by the Amildar every month

I have the honor to remain

H. J. Bhabha Esquire M.A
Inspector General of Education
of Mysore

Most respected Sir

We the undersigned inhabitants of Channarayapatna most respectfully beg to bring the following few lines to your kind consideration and early disposal

It is three months since unanimous petition of the persons of this place forwarded to your honor and to the Dy Inspector of Schools of Hassan District according to the proceedings of the inhabitants and well wishers of the institution asking for an Endorsement after making proper enquiry about Ramashastry (Adhyaksha) of the Anglo vernacular school of this place as for his carelessness as to the progress of Education and his deception for the money received from the Government and from the subscription fund.

It is about a month and a half since the registered application was forwarded to your honor requesting to grant some copies with blanks concerning previous accounts and report submitted by the Adhyaksha as for the disposal

of the grant and the helping fund

It is about a month since the
remunding registered application was
despatched but your honour was not kind
enough either to make any enquiry
according to the said application or
grant copies concerning the above as
asked for through 2013 registered appli-
cations. We are at a loss to know
the reason of this delay

H. Deputy Inspector of schools
after remanding the unanimous petition
of the inhabitants of Chennarayapatna
delayed the enquiry for months together
in order to give private information to the
Adhyaksha going from time to time
irregularities in the accounts & correct
errors carefully The Dy Insp.
came here 20 days ago to hold enquiry
when Through me represented our humble
prayers personally and by the registered
letter yet he made it of making proper
enquiry finding the Adhyaksha has
helped him a good deal to correct the
errors carefully so as to appear correct
to the public

Your honor might have perused
the report submitted by the Dy Inspector
who has reported favourably on behalf
of the Adhyaksha without carrying

5291

either for the good of the town or for the loose discharge of Government duties looking for a small emolument from the Adhyaksha

Undersigned. We the undersigned represented at matter to your honour on the 1st of this month by a registered letter your honour was not pleased either to come for the enquiry, or send any body for the enquiry. Now we think that you have been concerned with the report of the Dy Inspector

We the inhabitants of this place still now were under the impression that the helping fund and the grant were for the good use of the progress of the institution but under the present circumstances though we represented about the misuse of the amount yet as there was no proper enquiry ~~into~~ the Government rule approved of this mis appropriation of the grant and the helping fund we were to understand we hope that the amount is the private money of the Adhyaksha We had represented in our previous application of the 9th inst to withhold the opening of the grant till the disposal of the case but the grant has been delivered yesterday

If we had understood that the matter would turn out like this we would not have given you so much trouble We once more beg your honour

either to hold further enquiry as we have represented to our Hereinous registered application or to grant copies applied for.

If your Honor is not pleased to hold further enquiry to return at least the stamp sent with the copy application with an endorsement thereon as to know who is responsible for the loss who have incurred.

In conclusion we beg to state and humbly submit that these matters have not been brought to your notice therefore we again by this last registered application once more bring to your notice to hold enquiry after calling for all the 5 previous registered applications and dispose of the matter finally for the good of the inhabitants of the place. Hoping that your Honor would be pleased to come to this place as soon possible to hold enquiry see the state of the institution and do good to the inhabetants of this place. We beg to remain Sir

Chamarajapatna Sanskrit School

Inspected the school on the 27th July 99 There are 33 Students on roll
ified as follows - VII 3 V 6 III 11 I 13 of the pupils
long to the AV School and 13 have come from other parts of the
rince to study Sanskrit Altogether 17 students are students of
skrit only and attend no other school The School is main
ed from the Government Grant of Rs 25 and some income
- an endowment fund which averages about Rs 12 a month
Edowment-fund was collected by Mr Ramanuja Iyengar a
ner Amildar of Chamarajapatna and the present Adhyak
e teachers are employed and a Gumasta to keep the accounts
of the teachers is a learned Vidwath from Mysore Since 1896 Re
idates have been sent up for the Mysore Dasara Examination
pupils of the school should be regularly sent up for the Mysore
minations
pupils of the VII Class have read 4 Cantos of Sakuntala which they
recite and explain exceedingly well They also know Alankara and
able to talk in Sanskrit The boys of the V class have read 2 Kanda
kampu Ramayana and those of the III have read Bharata The boys
I Class Sabdas and Amara All the classes passed a very good
mination

re have been complaints regarding the administration of the endow
t fund which I consider to be unfounded I suggest a committee of five
bers including the Amildar, the Deputy Inspector of Schools

the Adhyaksha ex officio + Mr Ramanujachariyar (15 ?) is formed, there will probably no room for complaints

I am quite satisfied with the state and progress of the School and the Adhyakshas deserves great credit for his disinterested efforts to maintain the school in a high state of efficiency He was one of the founders of the school + since its foundation has worked hard to maintain it in an efficient state

ABSTRACT

(Mutuk)

With reference to Endt No 5089 dt 1-7-99 requesting their petition no 1745 of 5-5-99 on the proceedings of the Amildar complained against the Ashyakatha of the Pathasala at Chenrayapatna are promptly state that have learnt that the Ashyakatha has been misappropriating the funds collected for the Pathasala and also the grant-in-aid amount and manipulating the accounts to show that the said amounts belong to them they submitted a petition praying that the matter might be investigated in their presence and

that they were first furnished with
lists of certain accounts that they had
Loc Lent Stamps and Hansen plum fee.
that without complying with their re-
quest they were given an Endorsement
favoring the Cobry allotta - that whereupon
they Submitted the above Endorsement
to post stating that they might be given copies
of the accounts applied for and that their
complaint might be referred to the Dy-
-ver. for Enquiry - that in reply they
have been given the Endorsement under
reference - that if the matter had been
formally enquired into the post would
have known whether or not there were
grounds for their complaint that there
has been fraud in the matter - from the
beginning that there would have been
no occasion for this if the matter had
been brought to the notice of the Departmental
Head that the present proceedings is in
support of the original order - that if the
matter was Enquired into the post would
find that the above order is unjust that
the villages who gave Subscriptions and
Established the School and also obt applied
for and obtained grant-in-aid therefor
have no occasion to prefer false com-
-plaints - that the Amount of the fraud
has been used for giving loans to people
repayable by instalments - that they have
Submitted accounts showing the profits

the decree therefrom - that the amount of the fund does not amount so much - that an investigation into the matter would disclose the fact that the Kohyakkha is threatening them that he has the permission of the departmental head to sue them for defamation on the strength of the above order - that recently members have been appointed for the Pathasala that there might be safety hereafter but that they doubt the propriety of the members knowing the daily transactions since they do not reside in the village - that the present selection of the members implies that there are not competent local men - that there are only 6 or 7 students in the Pathasala - that on the 7th inst the Inspector General of Education inspected the Pathasala that some outsiders were also shown as students on the occasion - that of the school is inspected without previous intimation the actual state of affairs could be understood - that this is the outcome of appointing non-residents as members & that if their complaint is proved to be false they would be prosecuted

a-penalty of Rs. 50/- Hoot.

+ Pray that the matter may be referred to the Dy Comm. for Enq.

With reference to the docket No 4752/Ed 165 of 28th September 1900, has the honour to forward the petition dated 25th August 1900, Register No 4762 of 12-9-1900, addressed to this office to government Proceedings No 37-47/Ed 2 dated 1st July 1900, which Government after carefully going into the allegations contained in the petitioners' grievances them to be groundless and even permitted the Adhyapaka of the Sanskrit

Pathasala at Chamarajapatna to take such action against the petitioners for libel as he might think fit. Attention is also invited to the Inspector General's letter No 1996-7/75 dated 26th August 1899. After the complaint has been finally inquired into and disposed of, no further petitions embodying the same complaint can be entertained. Perhaps a reply to this effect direct from the Government will satisfy the petitioners who appear to be most unscrupulous and persistent in making groundless complaints.
